

Rehearsal Hall Rescue

Altoona Community Theatre's rehearsal hall is overdue for a major renovation, and your support can help make it happen. The current flooring is worn, damaged, and beyond its useful life, and we're preparing to replace it with durable, high-quality materials. The **Rehearsal Hall Rescue** will enhance safety and usability for volunteers and drama camp students alike, and create an updated, welcoming environment for meetings and public events. Thanks to a generous grant, we're 75% of the way to the financial finish line—but we need help from supporters like you.
